It is a matter of great satisfaction and pride that several academic institutions from West Bengal have come out with flying colours in the 3rd edition of the Annual Indian Ranking under the National Institutional Ranking Framework (NIRF) created by the Department of Higher Education, Ministry of Human Resource Development, Government of India.

I am happy to note that University of Calcutta has not only consolidated its position but also improved overall ranking among the academic institutions from 27th rank in 2017 to 21st rank in 2018 by improving upon various parameters of evaluation and assessment.

I convey my heartiest congratulations to you, the faculty and the students for striving towards academic excellence and earning a very respectable place on the academic landscape of our great country.

Our Government stands committed to providing requisite resources for the continued pursuit of academic excellence in the University of Calcutta.
