30<sup>th</sup> July, 2010

Dear Sir,

Taking cognizance of the shortage of trained teacher educators in teacher education institutions in the country, the National Council for Teacher Education has decided to enhance the intake capacity of one unit of M.Ed. Course from the existing 25 students to 35 students from the current session 2010-11. The enhancement in the intake of M.Ed. programme has been duly notified vide National Council for Teacher Education (Recognition Norms and Procedure) Second Amendment Regulations, 2010 in the Gazette of India on 26<sup>th</sup> July, 2010 and can be accessed on NCTE website ([www.ncte-india.org](http://www.ncte-india.org)). The amended Regulations stipulate that this increase be allowed, without insisting on any corresponding increase in the infrastructure and faculty.

You are, therefore, requested that the intake of students in the approved M.Ed. programme of 25 students may be enhanced to 35 students from the existing session 2010-11 so that a larger number of qualified M.Ed. are available for appointments in the teacher education institutions, in a short time.

With regards.

Yours sincerely,

(Mohd. Akhtar Siddiqui)

H.O.D of Edu.  
19/8/10

The VCs of Universities having approved M.Ed. programme.
