Sir/Madam,

This is regarding provision of guest house facilities to the officials of University Grants Commission. The universities and colleges in the country have been providing guest house facilities to the working officials of UGC and their family members during their personal visits. Recently, this issue came up for discussion in the Governing Body of the UGC Benevolent Fund and it was decided to request all the universities and colleges that guest house facilities may be provided on nominal rent to the working officials as well as retired employees of UGC along with their spouses during their personal visits. It is, therefore, requested that the concerned officials may be given appropriate instructions in this regard.

A line in confirmation in this regard will be highly appreciated.

Yours sincerely

Benevolent Fund
