**The Heads of all Academic and Administrative Departments
University of Calcutta**

Dear Madam / Sir,

Kindly allow me to inform you that the University Library has procured/subscribed to the following e-resources apart from that provided by the UGC-INFLIBNET under [eShodhSindhu Special](#) for the benefit of the academic community.

- [Springer E-books Subjects](#) - mathematics & statistics, physics & astronomy, chemistry & material science, biomedical & life sciences, business & economics, computer science, earth & environmental science, engineering, professional computing & web design; design & arts; behavioural science.
- [Oxford E-Books/Oxford Scholarship Online Subjects](#) – history, philosophy, business management, law, linguistics, political science, international relation & foreign policy, economics & finance, literature, psychology, sociology.
- [Oxford Scholarly Editions](#) - provide Shakespeare collection online.
- [Oxford Constitutions of the world](#) - fully-translated English-language versions of all the world's constitutions. It also offers commentaries and supplementary materials accompanying each constitution, and helps users keeping up-to-date with developments in constitutional law, with updates to all materials throughout the year.
- [Foreign Office Files for India, Pakistan and Afghanistan](#) : Section I: Independence, Partition and the Nehru Era, 1947-1964.
- [Sage E-books Subjects](#) - business & management, communication and media studies, counselling and psychotherapy, criminology & criminal justice, education, engineering & materials science, geography, earth & environmental science, health and social care, history, life & biomedical sciences, maths, physics, chemistry & computing, philosophy, politics & international relations, psychology, research methods & evaluation, sociology.
- [Wiley Books Online](#) - covering wide range of subjects in the fields of arts, humanities, social sciences, economics, finance, computer science, general science and technology.
- [Cambridge E-books Subjects](#) – mathematics, physics, life sciences, environmental science, economics, business & management, language & linguistics, literature, politics.
- [McGraw-Hill E-Books Subjects](#) - computer science/computing, electronics/ ECE, students study aids.
- [Taylor Francis & CRC E-books Subjects](#) - engineering & technology, behavioral sciences, bioscience, built environment, communication studies, computer science, development studies, environment, social work, urban studies, earth sciences, economics, finance, business & industry, education, , environment & agriculture, environmental studies & management, food science & technology, geography; health and social care, humanities, information science, language & literature, law, mathematics & statistics, museum and heritage studies, physical sciences, politics &

international relations, reference & information science, social sciences, sports and leisure, tourism, hospitality and events, urban studies, area studies, arts, audiology and hearing science.

- [ProQuest Dissertations and Theses Database](#) : ProQuest Dissertations & Theses is the world's most comprehensive collection of dissertations and theses from around the world, spanning from 1743 to the present day and offering full text for graduate works added since 1997, along with selected full text for works written prior to 1997. It contains a significant amount of new international dissertations and theses both in citations and in full text.
- [Scopus](#) : The world's largest abstracting and citation database of peer reviewed literature : scientific journals, books and conference proceedings; delivering a comprehensive overview of the world's research output in the fields of science, technology, social sciences, arts and humanities.
- [South Asia Archive](#), an extensive resource for scholars across the humanities and social sciences.
- [Elsevier Earth and Planetary Sciences Journals](#)
- [Springer Journal Archives](#)
- [IEEE Journals/IEL Online](#) – encompassing core journals in the field of electrical engineering, computing, biotechnology, telecommunications, power and energy, and dozens of other technologies.
- [Early English Books Online](#) - from the first book printed in English by William Caxton, through the age of Spenser and Shakespeare and the tumult of the English Civil War, Early English Books Online (EEBO) contains over 125,000 titles listed in Pollard and Redgrave's Short-Title Catalogue (1475-1640), Wing's Short-Title Catalogue (1641-1700), the Thomason Tracts (1640-1661), and the Early English Tract Supplement - all in full digital facsimile from the Early English Books microfilm collection.
- [Literature Online](#) - With over a third of a million full-text works of poetry, prose and drama in English, together with the definitive online criticism and reference library, *Literature Online* is the world's largest cross-searchable database of literature and criticism
- [House of Commons Parliamentary Papers \(1668-2013/14\)](#). (it includes over 200,000 papers from 1715 to the present with supplementary material back to 1688).
- [House of Lords Parliamentary Papers](#) : provides a complete picture of the working and influence of the UK Parliament during the pivotal 19th century. The research value is of international significance, revealing previously unknown material such as statistical data, oral evidence, and letters and business papers relating to not only Britain, but also to the many parts of the world that were under British influence.
- [Indian Citation Index](#) - database covering 1000 top Indian scholarly journals encompassing all disciplines of knowledge. It empowers users to search, track, measure and collaborate in the field sciences, social sciences, arts, and humanities to turns raw data/information into the powerful knowledge one needs.
- [LISA](#) - The Library Science Database provides access to over 150 top publications in library and information science. It is specifically designed to provide full-text support for the core titles included in the Library & Information Science Abstracts database.
- [eShodhSindhu Special](#)

All the above resources (resources available under the [eShodhSindhu Special](#) and resources procured/subscribed by the university other than the [eShodhSindhu Special](#)) are available throughout the entire 24 hours of the day from all campuses through University website www.caluniv.ac.in. May I therefore request you to kindly circulate this information among all the members of the faculty, research scholars and students of your department in order to facilitate maximum possible usage of the aforesaid resources.

In this connection we would like to inform you that the e-resources obtained through UGC-INFLIBNET programme have become immensely popular among the users of the University.

The fact is evident from the usage statistics of UGC - INFLIBNET.
