

UNIVERSITY OF CALCUTTA

Applications are invited for one JRF position in the BRNS sponsored research project '**Production of Quarkonia and their nuclear modifications in high energy heavy ion collisions**' at the Department of Physics, University of Calcutta. The position is purely a temporary one and will be co-terminus with the project. This project is a collaboration with Bhabha Atomic Research Centre. It will involve theoretical study of quarkonia production in heavy ion collisions. A part of it will also be dedicated to theoretical interpretation of LHC data.

Fellowship : As per rules of BRNS.

Qualifications : Minimum 55% or equivalent in M. Sc Physics. CSIR/UGC NET is desirable.

Applications with complete CV should reach to Abhijit Bhattacharyya via e-mail (abphy@caluniv.ac.in,abhattacharyyacu@gmail.com) latest by 30'th April.

Only qualified and suitable candidates will be called for interview. No TA/DA will be paid for attending the interview. Interview may also be arranged in video conferencing mode.
