

National Seminar
ON
Recent Advances in Computational Mathematics(RACM)
December 27-29, 2016

Organized by
Department of Applied Mathematics
University of Calcutta

Sponsored by
UGC-DSA SAP Phase-III and University of Calcutta

Objective:

In present days applied mathematics is deeply involved with the study of physical, biological, social and behavioural sciences which essentially needs numerical computation. Development of new algorithms, their analysis and applications in respective fields are the recent trends of applied mathematics research. This national seminar “Recent Advances in Computational Mathematics(RACM)” will be a platform to assemble scientists from various branches of applied mathematics like continuum mechanics, mathematical physics, mathematical biology and optimization who will share their views on computational aspects of these research fields.

Call for papers: Original research papers are invited for presentation in the seminar. Participants are requested to send abstract in MS Word format along with the filled in registration form in the following e-mail address within 15th December, 2016.

e-mail: racm2016@yahoo.com

Organizing Committee:

Prof. Sanjay Sen
Prof. Tripti Chakrabarti
Prof. Susmita Sarkar(Convener)
Prof. Krishna Kundu
Prof. Tanuka Chattopadhyay (Head of the Department)
Prof. Debasis Sarkar(Co-ordinator, SAP)
Prof. Suma Debsarma
Prof. Mridula Kanoria
Prof. Samiran Ghosh
Dr. Swarup Poria
Dr. Soumen De (Assistant Convener)
Dr. Indrani Chattopadhyay
Dr. Uttam Ghosh(Assistant Convener)
Dr. Nantu Sarkar

Registration Fee:

Ph.D Students (other than research scholars of our Department) : Rs. 500/-

College and University teachers : Rs. 1000/-

Due to paucity of funds we are not in a position to provide T. A. to the participants.

Contact:

1. Prof. Susmita Sarkar (Convener) : 9432157083
 2. Dr. Soumen De (Assistant Convener):9231893526
 3. Dr. Uttam Ghosh (Assistant Convener) :9475487454
- e-mail: racm2016@yahoo.com
