of

Library & Information Science,
University of Calcutta

17th March, 2017

>>>Send Your Paper by 7.03.17

Objectives of the Seminar

The libraries are an integral part of the society and are flourishing its wings in different perspectives for societal development. It is changing itself with all the modern changes adapted by the society.

The libraries of today are technologically dynamic in nature and have evolved to serve with the changing needs of the

local as well as global population. The seminar entitled “Libraries in the Changing World with Changing Societal Priorities” aims to focus on the major and minor changes of the libraries and their effect towards the society. The aim of the seminar is to extract the most viable changes needed by the libraries to emerge effective in the societal development.

List of Sub-themes

- Realizing change in libraries
- Thought into actions to make a change
- Changing priorities influence change
- Sustainable change is a need of the hour
- Local Vs global readers in changing world
- Societal needs
- Acceptability of changes in the society
