

University of Calcutta

A workshop on Recent Development on Optimization & Operation Research will be held at the Dept. of Applied Mathematics on 29th July, 2015.

Prof. Tripti Chakrabarti will be the coordinator of the Workshop.

Dr. Suma DebSharma will be the Joint Coordinator of the Workshop.

The following speakers will deliver lectures in the Workshop:

1. Prof. Manoranjan Maiti, Ex- Prof. Vidyasagar University will deliver on Green Logistic Optimization.
2. Prof. Adrijit Goswami, IIT, Kharagpur will peak on Supply Chain Management
3. Prof. Sameer Neogy, ISI Delhi will speak on Complimentarily Theory.
4. Prof. Kajla Basu, NIT Durgapur will speak on Multi-criteria Optimization (Specially on Topsis)
5. Prof. R N Sen, Ex. Professor, on Non smooth Optimization
6. Dr. Samarjit Kar, NIT Durgapur will speak on Modelling and Optimization using Genetic Algorithm.

All willing teachers, scholars and students are requested to attend the Workshop. and apply to the Dept. of Appl. Maths within 30th June 2015.

Dr. Suma DebSharma
