

Vidya Bharati Internship Program Research Internship

About the Internship

NEP-2020 and the subsequent guidelines & schemes of the UGC, AICTE etc all give special focus on internships, training and exchange programs for students & scholars. Vidya Bharati Uchcha Shiksha Sansthan (VBUSS) has a dedicated vertical to provide quality internship opportunities to deserving scholars. This **Research Internship** has been conceptualised as to engage the best young minds having passion for research work with best institutions giving them an opportunity to contribute in a meaningful project. The scholar will be placed at an Institution under an able Supervisor.

- It will be a **2 months Internship**.
- The research themes shall be under the wider **domain of social sciences particularly focusing on Indian Knowledge Systems (IKS)**.
- **IKS Division, Ministry of Education, GoI and Indian Council of Social Science Research (ICSSR)** are supporting this internship. Students will be given **Stipend** during the internship.
- **Final certificate** will be issued by VBUSS and above two collaborating institutions upon successfully completing the requirements of the internship.
- A dedicated **Orientation Program** focusing on Research Methodology at the start and a **Valedictory Seminar** shall be organised for the Interns to enhance their skills.

Eligibility

Scholars having completed **Masters degree or pursuing Ph.D.** in any discipline broadly categorised under social sciences are eligible to apply for this internship. **Prior experience of research work in any recognised project and research work related to IKS will be desirable.**
